School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Fremont School is one of the oldest elementary schools in the Delano Union School District with the current campus open since 1951. The campus is located just west of Highway 99 in Delano, CA. Fremont School serves approximately 467 TK-5 students, as well as two preschool severely handicapped classes and a full day general education preschool class. Our population is 53% English Language Learners, 3% Gifted and Talented, 6% special education, 8% migrant, and 91% Hispanic.

Vision Statement:

Fremont School children will successfully learn grade-level standards daily.

Mission Statement:

The professional learning community at Fremont School will work diligently to maximize the learning and academic achievement of every child.

GOALS for the 2020-2021 School year:

ELA

75% of our TK pupils will master grade-level appropriate reading skills as measured by the Emerging Literacy Battery (ELB) and pre-school foundations local assessments.

Grades K-5 70% of pupils will read on grade level as measured by the Analytical Reading Inventory (ARI).

Grades 3-5 will decrease the percentage of students who are below standard in Reading on the Smarter Balanced Assessment Consortium (SBAC) standardized assessment by 5%.

MATH & SCIENCE

75% of TK pupils will master the trimester math assessment for addition and subtraction with manipulatives
60% of pupils in grades K-2 will score an average of 70% or better on the grade level specific math benchmarks.

By the end of the 2019-2020 school year:

Grades 3-5 will decrease the percentage of pupils who are below standard in math on the Smarter Balanced Assessment Consortium (SBAC) standardized assessment by 5%.

Grade 5 will increase the percentage of pupils who meet the standard in science on the CAST assessment by 5%.

ELD

Increase by 5% of English Language Learners (as measured by the ELPAC) who score:

Level 4: Well Developed

Level 3: Moderately Developed

In addition, our goal is to reclassify a minimum of 20 English Language Learners.

PARENT INVOLVEMENT:

Fremont School will support parent participation and learning opportunities for students and parents by providing one STEAM night and one Reading/Literacy night and improve parent participation by 10%.

Fremont School provides opportunities for Tier I and Tier II intervention for all students during the regular school day. Struggling students are offered after school intervention in our Warrior Success Academy as well.

We serve 84 students in the after-school POWER (ASES) program where students receive 60 minutes of targeted intervention in ELA and math, 30 minutes of additional physical education, and 45 minutes of STEAM-focused enrichment. In addition, we offer a parallel program for 1st-grade students after school.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

At Fremont School, student safety is a top priority. Students are supervised before school by four morning duty aides as well as the vice principal and principal. Students who arrive at the school prior to 7:30 a.m. are held at the front of the school, where they are supervised by aides and administration, or may choose to go to the school library. At 7:30 all students are dismissed to go to either the cafeteria for breakfast or to the playground. The aides are placed throughout the campus to ensure appropriate supervision in all areas of the school. After school, the students are supervised by teachers and other certificated staff and the school's administration to ensure a proper and safe dismissal.

All school gates are closed between 8:05 a.m. and 2:07 p.m. to prevent unauthorized visitors from entering the campus. All visitors must report to the office and obtain a visitor's pass to enter the campus during school hours.

Fremont School sits on nearly 20 acres of land, giving the students ample room on the playground. The school has two large play structures, a set of basketball courts, one regulation size soccer field, and a large track. Classrooms are spacious and provide ample room for students, classroom furniture and storage. The school has a large band room and two fully equipped computer labs. The school library is large and can comfortably seat the entire teaching staff of almost 40 teachers. Fremont has a staff lounge for the teachers to use during their recess, lunch, and after-school breaks. There is also a workroom attached to the office for staff use.

School Facility Good Repair Status

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parent involvement is essential for the success of students. At Fremont School, parents are encouraged to visit or volunteer whenever possible. All parents are encouraged to attend and actively participate in school activities and functions such as: Back-to-School Night, Student-of-the-Month assemblies, Scholastic Book Fairs, Lunch with your child, Family Education Nights, Winter programs, and classroom activities. Parents may also volunteer to be elected as members of the English Learner Advisory Committee and the School Site Council, which participate in the development and updating of the annual School Plan. Every effort is made to keep an open communication with parents. Letters and notices are sent in both English and Spanish, and the office staff is bilingual. Parents of at-risk students are also kept informed of progress by the use of progress reports issued every three weeks. The Fremont Student Assistance Team (SAT) holds meetings twice each month with parents and teachers to develop a plan of action to provide intervention for students. For more information please contact:

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The School Safety Plan was reviewed with staff on (5/20/19).

Safety is a priority at Fremont School. The school safety plan is reviewed annually, safe practices are discussed, and the staff is encouraged to follow safety procedures, and to be familiar with the site disaster plan. Fremont has a Safety Week in the month of August to practice safety drills for fire, earthquakes, lockdowns, and evacuations. Monthly drills are scheduled throughout the year to remind students of the safety procedures. Fremont School's Safe School Plan contains the following components: an assessment of the current status of school crime, goals for prevention of crime and the promotion of a safe school environment, goals for improving school climate and a safe physical environment, child abuse reporting procedures, the Delano Union School District Disaster Plan, general emergency management practices, the Delano Union School District Elementary Discipline and Safety Procedures Handbook (containing administrative policies for the Delano Union School District), and the school's Site Disaster Plan. The Fremont Safe School Plan is reviewed with and submitted for approval to the School Site Council.

Types of Services Funded (Fiscal Year 2019-2020)

Fremont School offers a great number of support services to the students. Support personnel include a part-time School Psychologist, Nurse, and two Preschool Moderate/Severe Special Education Teachers. Teachers refer students for interventions through the Student Assistance Team (SAT). This team identifies, monitors, and recommends students for any needed intervention. GATE students attend GATE after-school sessions and participate in the GATE festival. Migrant students also have many support services. They can attend the Summer Academy for extra support and intervention in reading. Migrant students unable to attend the Summer Academy are served through the Migrant Summer Outreach Literacy Program. English Language Learners and Immigrant students are monitored throughout the school year by the Site Resource Teacher. Economic Impact Aid funding provides language development interventions through instructional assistants using the Language for Learning program in all K-1 classrooms containing English Language Learners. Other site funding is used for after-school tutorials for students in all grade levels who are not achieving grade-level standards.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

2017-2018: 15 days; 2018-2019: 15 days; 2019-2020: 15 days

All teachers at the Delano Union School District have access to staff development every school year. These staff development opportunities include training in Reading, ELD, Math, Thinking Maps, Writing, and/or Physical Education. Every school site is also responsible for providing its staff with staff development in areas determined by need. The area of need is determined by CELDT scores, district benchmark data, and formative assessments. Based on these criteria, Fremont holds staff development in English Language Development, Reading, and Math. The Principal also meets with teachers individually to discuss instructional goals, and administrators observe classroom lessons. Most staff development is offered either after school during professional development meetings or during the instructional day with the use of substitute teachers. Some professional development has been offered during the summer break when school is not in session.
