Allocation Year: 2023-24, 2024-25

1. Narrative description of the Proposition 28 arts education programs funded (2500 character limit).

Del Vista Math and Science Academy recognizes the vital role of music education in developing critical thinking, supporting social-emotional growth, and fostering cultural appreciation. In the 2024–2025 school year, Del Vista did not expend any Proposition 28 Arts and Music in Schools Program funds, as other funding sources were used to support the growth of our music program.

Looking ahead, Del Vista plans to utilize Proposition 28 funds to expand and enrich its music instruction by introducing piano study and enhancing classroom music experiences for all students. To support this effort, Del Vista will employ an additional part-time music teacher and invest in instruments and materials to create engaging and well-rounded classroom music lessons. Professional development opportunities will also be offered to music educators, including onsite workshops and clinics led by field experts, to ensure high-quality, standards-based instruction. Students will benefit from meaningful musical experiences such as attending live performances and participating in school music showcases and performances.
