INTRODUCTION

A. This Agreement and the provisions contained herein constitute a bilateral and binding agreement by and between the **DELANO UNION SCHOOL DISTRICT** (hereinafter referred to as "District" or "Employer") and the **CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION and its CHAPTER 175, collectively referred to as "CSEA"** (hereinafter referred to as "Exclusive Representative" or "Association"), an employee organization.

B. This Agreement is entered into pursuant to Sections 3540-3549 of the California Government Code (hereinafter referred to as the "Act").

ARTICLE II

RECOGNITION

A. The District recognizes the Association as the Exclusive Representative of District's employees of the classified service, except those positions designated as management, confidential, or supervisory.

B. All newly created positions, except those that lawfully are certificated, management, confidential or supervisory, substitutes, noon-duty supervisors, and short-term employees, shall be assigned to the bargaining unit. The determination of management, confidential, or supervisory employees shall be made by the District after consultation with the Association. Disputed cases shall be submitted to the Public Employment Relations Board (PERB) for resolution.

C. It is agreed and understood that the District retains all rights, powers, prerogatives, privileges, duties, and authority vested in it by any source whatsoever, including the Constitution of the State of California, the Constitution of the United States, state and federal laws and regulations, and school district policies to manage, control, and direct the operations and affairs of the District and to take whatever action necessary to maintain operations in situations of emergency. The exercise of the rights, powers, prerogatives, privileges, duties, and authority by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the express terms of this Agreement.

D. The Exclusive Representative understands and agrees that there shall be no strike, work stoppage, slow down, picketing in furtherance of a strike, work stoppage, or slow down, failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the District by the Exclusive Representative or by its officers, agents, employees, representatives, or members during the term of this Agreement, including any request of other organizations to engage in such activity.

1. In the event of a strike, work stoppage, slow down, or other interference with the operations of the District by employees who are represented by the Exclusive Representative, the Exclusive Representative agrees in good faith to cause those employees to cease such action.

2. Any employee violating the no-strike provision may be subject to discipline by the Employer, including termination.

ARTICLE III

SALARIES

A. The 2023-2024 Salary Schedule, with an increase of 6%, retroactive to July 1, 2023. In addition to a one-time bonus of 1%, or no less than \$300.00, to be paid on or before December 15, 2023.

1. Merge the classified salary schedule and the classified skilled trades salary schedule, to extend the salary schedule to Range 36. Under this provision, the dates during which the employee may be eligible to utilize accumulated sick leave, if any, shall be established by the employee's physician. The physician shall indicate in writing to the Superintendent the beginning and ending dates of the period of illness due to pregnancy. The beginning and ending dates shall be based upon the employee's ability to render service to the Employer.

5. The District may require verification by a licensed physician or practitioner for any absence under this provision if the District determines a pattern or abuse of sick leave.

6. An employee who has been on sick leave for 10 or more consecutive days or who has had any surgical procedure, shall be required to furnish a physician's verification of ability to return to work and render service to the District.

C. Effective July 1, 2012, pursuant to Education code 45196, each school year, each unit member shall be credited with 100 working days of leave for illness or injury, inclusive of days to which he/she is entitled under Education Code 45191, which shall be paid at fifty percent (50%) of the unit member's salary. Such additional leave shall be used after entitlement to full-paid sick leave has been exhausted, and shall run concurrently with full-paid sick leave from the first day of absence for illness or injury, but shall be exclusive of any other paid leave, holidays, vacation, or compensatory time to which the employee may be entitled.

D. Each year, a unit member may, at his or her election, use up to no more than his/her earned and allotted annual sick leave permitted by this Agreement for cases of personal necessity. Incidents of personal necessity involve matters of compelling personal importance that cannot be handled or resolved at a time other than during the regular school day.

1. Personal necessity leave may be charged in one-hour increments.
2. The employee shall notify his/her immediate supervisor of his/her intention and reason to use Personal Necessity Leave at least 24 hours in advance. The employee shall not, however be required to provide 24-hour advance notice in cases of personal necessity involving:

Unit members shall provide at least one (1) hour advanced notice prior to the start of their work day. Use of personal necessity leave for this purpose, in excess of three days shall require the unit member to present a medical doctor's verification of treatment and illness of the immediate family member during the dates of the leave.
3. Personal Necessity Leave shall not be used for any of the following purposes:

a. Concerted activities or for participation in any withholding of services from the District.

b. To extend a holiday either before or after the holiday.

6. The district reserves the right to deny Personal Necessity Leave requests where in the judgment of the supervisor the absence would jeopardize the work of the District. The District may not deny personal necessity leave requests from unit members occurring during their work hours to respond to a death of an immediate family member, an accident or injury involving his person or property or that of an immediate member of the family, or the illness of their child except that the District may delay the unit member's release by not more than thirty (30) minutes, to find appropriate coverage where in the Supervisor's opinion the District's work would be jeopardized.

E. Every employee shall be entitle to five days of paid non cumulative leave of absence because of the death of any member of the classified's immediate family as defined herein.

1. This leave shall not be deducted from sick leave.

2. Bereavement leave shall be used before personal necessity leave days are used for purposes allowed pursuant to this section.

3. This leave shall not be cumulative.

Industrial Accident and Illness Leave

F. Employees shall be entitled to leave of absence for industrial accidents or illness, subject to the following:

In the event that the unit member does not submit such proof within 3 business days, the District, at its discretion, may credit the unit member's sick leave balance, provided that the report is made in time for the District to reflect the balance adjustment for the next pay period. ARTICLE XVI

LAYOFF AND LAYOFF PROCEDURES

Layoff and reemployment procedures are set forth in Education Code Sections 45117, 25298 and 45308.

Reason for Layoff

- A. A layoff shall occur only for lack of work or lack of funds.

Notice of Layoff

B. Permanent classified employees shall be given notice by March 15th that the employee's services will not be required for the ensuing year due to lack of work or lack of funds. Advanced notice of proposed layoff will be provided to the employee and CSEA. Any notice of layoff shall state the reasons that the employee's services will not be required for

the ensuing year, and inform the employee of the employee's displacement rights, if any, and reemployment rights.

Order of Layoff

C. The order of layoff shall be based on length of service within that class plus higher classes throughout the District. Effective July 1, 2001, the "length of service" for classified employees will be defined as the date of hire in paid status. For the purpose of order of layoff and reemployment, the employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Reemployment shall be in the reverse order of layoff.

Equal Seniority

D. If two or more employees subject to layoff have equal class seniority, the determination as to who shall be laid off will be made on the basis of the employees' training and experience and written evaluations by the District.

Bumping Rights

E. An employee laid off from his/her present class may bump into the next equal or lower class in which the employee has previously worked and has greater seniority than another in that class. An employee who has been bumped may bump into the next equal or lower class to avoid layoff provided the employee has previously worked in the equal or lower class and has greater seniority than another in that class.

Reemployment Rights

F. Laid off employees are eligible for reemployment in the class from which they were laid off for a 39-month period and shall be reemployed in the reverse order of layoff. Their reemployment shall take precedence over any other type of reemployment defined under this Agreement. In addition, they shall have the right to apply for promotional positions within the filing period specified under this Article and use their bargaining unit seniority, training, experience, and written evaluations by the District herein for a period of 39 months following layoff. The District shall post all classified positions pursuant to the Collective Bargaining Agreement and will ensure an employee on reemployment roster an opportunity to apply and be considered in preference to new applicants.

Voluntary Demotions or Voluntary Reductions in Assigned Time in Lieu of Layoff

G. Employees who take a voluntary reduction in assigned time in lieu of layoff are to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off, and shall retain eligibility to be considered for reemployment for an additional period of up to 24 months, provided that the same tests of fitness under which they qualified for appointment to the class shall still apply.

H. Employees who take a voluntary reduction in assigned time in lieu of layoff shall be, at the option of the employee, returned to a position in their former class or to positions with increased assigned time as vacancies become available, without limitation of time, but if there is a valid reemployment list, they shall be ranked on that list in accordance with their proper seniority.

Seniority Roster

I. Upon written request, the District shall provide the Exclusive Representative with an updated seniority roster 30 days before the District exercises its managerial right to effectuate the layoff. The seniority roster shall indicate the employee's class seniority and hire date seniority within the class(es).

Reemployment Notification Rights

J. Any permanent employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of an opening. Such notice shall be sent by certified mail to the last address given to the District by the employee.

Employee Notification to District

K. An employee shall notify the District in writing of his/her intent to accept or refuse reemployment within five workdays following receipt of the reemployment notice. If the employee accepts reemployment, the employee must report to work on the date indicated. If an employee refuses the employment offer, the offer shall be made to the next person on the reemployment list with the greatest seniority. If an employee declines an offer of employment, his/her name shall be placed at the bottom of the reemployment list. All employees who are in a laid off status shall remain on the reemployment list for a period of 39 months. An employee who declines a second offer of reemployment from the District shall be considered unavailable for employment and shall be dropped from the reemployment list; thereafter, the District shall be acquitted of its notification responsibility.

Health and Welfare Benefits

L. The District agrees to provide the health and welfare benefits specified in the Collective Bargaining Agreement for a period of time not to exceed 30 days beyond the employee's last day of paid status with the District, provided the employee was laid off pursuant to the provisions of this Agreement and was eligible and receiving the District's health and welfare benefits at the time he/she was affected by the layoff. Employees who elect to continue the Health and Welfare benefits specified in the current Agreement at the end of the 30 days of their last day of paid status with the District may do so, provided they continue to pay each month directly to the District for the health and welfare benefits specified herein and the insurance provider agrees to same.

Unemployment Benefits

M. Upon written request, the District agrees to provide the Employment Development Department with any and all information pertaining to any laid off employee who files for unemployment benefits.

Retirement In Lieu of Layoff

N. Notwithstanding any provision of law, any permanent classified employee who was subject to being laid off or was in fact laid off for lack of work or lack of funds and who elected service retirement from the Public Employees' Retirement System shall be placed on an appropriate reemployment list. This District shall notify the Board of Administration of the Public Employees' Retirement System of the fact that retirement was due to layoff for lack of work or lack of funds. If the retiree is subsequently subject to reemployment and accepts in writing the appropriate vacant position, the District shall maintain the vacancy as provided in this Agreement and/or until the Public Employees' Retirement System has properly processed his/her request for reinstatement from retirement.

Notice of Vacancies

O. The District shall determine in all cases if a vacant position within the bargaining unit exists and when a vacant position shall be filled by bargaining unit members who were laid off and are on the District's current reemployment roster.

P. The District shall notify all laid off persons in writing of any vacancies in the classified bargaining unit. This notice shall be sent to the last address given to the District by the employee. Further, all laid off persons shall receive priority consideration for any vacancy that they qualify for before consideration is given to any outside applicant.

Improper Layoff

Q. Any employee who was improperly laid off shall be reemployed upon discovery of the error and shall be compensated for loss of any benefits and salary he/she is legally entitled to.

R. The parties mutually agree that the provisions stated herein represent the full agreement as to the procedures that are to be followed when conducting all aspects of layoffs in the classified service and as to the effects of those layoffs, and there shall be no duty on the part of either party to meet and negotiate further during the term of this Agreement.

Specially Funded Programs

S. When classified positions must be eliminated as a result of the expiration of a specially funded program, the employees to be laid off shall be given written notice not less

than sixty (60) days prior to the effective date of their layoff informing them of their layoff date and their displacement rights, if any, and reemployment rights.

ARTICLE XVII

PROGRESSIVE DISCIPLINE

A. Progressive Discipline: Progressive Discipline is essential and shall be applied to the employee to assist the employee and give him/her the opportunity to improve and correct any unsatisfactory performance and/or unprofessional conduct, unacceptable work habits or any violation of the rules and regulations prior to disciplinary action. Progressive discipline may not be followed in cases of gross misconduct. Gross misconduct would include dishonesty or theft affecting the District, repeated insubordination, use or possession on duty of alcohol or illegal drugs or conviction of a crime involving moral turpitude.

B. If at any time during the progressive discipline process a formal written reprimand is needed, the employee shall be placed on an improvement plan for a period of one (1) year providing the employee the opportunity to correct the issue at hand. The improvement plan may be bypassed in the cases of gross misconduct.

C. The improvement plan shall consist of the following.

1. Start date and end date of the improvement plan
2. Specific goals the employee must achieve
3. Scheduled supervisor follow ups every two months to discuss status of employee
4. Evaluation done at the end of the improvement plan

ARTICLE XVIII

CONCLUSION

A. This Agreement represents the full and complete collective bargaining and full agreement by the parties in respect to wages, hours of employment, and other terms and conditions of employment which shall prevail during the term hereof, and any matters or subjects not herein covered have been satisfactorily adjusted, compromised, or waived by the parties for the life of this Agreement. The Exclusive Representative understands and agrees that, as to all matters not covered by this Agreement, there shall be no duty on the part of the District to meet and to negotiate further during the term of this Agreement.

B. The District is not bound by any past practices or understandings unless the same are specifically set forth herein.

1. The specific provisions of this Agreement shall prevail over any District past practice or procedure.

2. In the absence of a specific provision in this Agreement, any past practice or procedure is hereby declared to be discretionary on the part of the District.

3. When references are made to statutes, (e.g., Education Code) such references are informational only and do not subject the provisions of such statutes to the grievance processes of this Agreement.

C. In the event that any portion of this Agreement is found to be unlawful by a court of competent jurisdiction, the rest of the Agreement shall remain in full force and effect. Should a federal or state agency with jurisdiction invalidate any portion of this Agreement, the parties shall, on appropriate notice, meet to negotiate over the affected provision(s).

D. This Agreement shall be in full force and effect from the date of ratification by the parties to June 30, 2027. Thereafter, all terms and provisions of the agreement shall remain in full effect until a successor agreement is negotiated and ratified by the parties.

E. For the 2025 – 2026 and 2026 – 2027 school years, both the District and the Association may reopen negotiations on Salary (Article III), Health and Welfare Benefits (Article IV), and one (1) article of each party's choice in this Agreement.

F. The parties shall meet to negotiate at least two (2) weeks after each party's initial proposal have been sunshined, unless extended by mutual consent of the parties, in writing.

G. The Collective Bargaining Agreement shall be updated by the District and shall be uploaded to the District website within two (2) weeks upon notice from the Chapter President that the Tentative Agreement has been ratified by the membership. This section shall apply to Successor and Reopener Agreements.

Agreed to this 24th day of June 2024.
