2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Founded in 1993, Princeton Street Elementary School is a pre-school through 5th grade school consisting of approximately 433 pupils located in the northeast section of Delano, California, on the corner of Princeton Street and 20th Avenue and provides educational services to pre-school through 5th grade students. The school mascot is a knight and the school colors are purple and teal.

Princeton Street Elementary School has formed a strong professional learning community (PLC) that effectively collaborates with staff, families, and the community in providing students with the opportunity to develop values, knowledge, skills, goals, and self-confidence to be continuous learners, responsible and successful citizens, and contributing members in a safe environment conducive to learning. Together, we will build a school culture where students feel safe and respected and the community promotes lifelong learning.

The Princeton Street Elementary School PLC will improve student learning and achievement by developing a culture of collaboration focused on Common Core State Standards (CCSS) standards-based instruction with high expectations. The school goals are:

- All students will be reading at, or close to, grade level by the end of second grade.
- All students will receive intervention when not performing at grade level in Math and ELA.
- Implementation of the District's best-practices for reading instruction to include: small group instruction, use of supplemental materials, sentence frames, checking for understanding, fluency practice, RTI, and increased use of technology.
- All English Learners take the English Language Proficiency Assessments for California (ELPAC) for the 2020-2021 school year. The assessment data will be used to help move our English Learners toward English Language Proficiency.
- Implementation of the District's Principals of English Language Development to include: lessons based upon language skill objectives, grouping of English Learners by language level for designated ELD instruction, pushing students to higher levels of English language usage and practice, student collaboration, students producing 50-70% of the talking during ELD lessons, support of ELD lessons with visuals, realia, graphic organizers, and modeling throughout the instructional day.
- Implement the four C's of CCSS; Critical Thinking, Collaboration, Communication, and Creativity.

2021-22 School Overview

Vision: We are a strong professional learning community (PLC) that effectively collaborates with staff, families, and the community to achieve student success.

Mission: Our students will develop values, knowledge, skills, goals, and the self-confidence to be continuous learners, responsible and successful citizens, and contributing members in a safe environment conducive to learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	16
Intern Credential Holders Properly Assigned	0
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0
Unknown	0
Total Teaching Positions	0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Pupils from Princeton Street School currently use curriculum adopted by our school district in the areas of Reading/English Language Arts, Math, Science, and Social Science. The adopted curriculum has come from the most recent State Board of Education's Adoptions List at the time of adoption. Each pupil is assigned, and granted access to, all core curriculum material and its supplementary components. Princeton Street School also maintains a sufficient amount of textbooks and core material to ensure that all students are guaranteed access in all instances, and core textbooks are inspected annually and replaced as needed to meet the requirements of the Williams Settlement Implementation Agreement. Princeton's most recent County Williams Settlement Inspection visit took place on August 21, 2018 yielding a score of Sufficient in the area of ELA/ELD, Math, Social Studies, and Science textbooks.

School Facility Conditions and Planned Improvements

Princeton Street Elementary School has assigned staff to monitor students prior to the opening day of the school day and during the lunch recess. In addition, administration makes it a rule to supervise gates, student drop-off, crosswalk, playground and hallways before the first bell and the cafeteria and playground during all recesses. Staff members are assigned yard duty during morning recess and after school for 15 minutes to ensure student safety. There are three main entry/exit gates to the campus. The gates facing the eastern parking lot are closed and locked at 8:05 a.m. The front gate facing north is left open for access to the front office. The cafeteria and interior gate by the bicycle racks are closed at 8:05 a.m. forcing all visitors to check into the office for admittance.

Princeton Street Elementary School was originally built in 1993. The school has a total of 32 classrooms (16 permanent and 16 portable), one music room, one computer lab, one literacy room, one RSP room, a multi-purpose facility, a library/resource room, an administration office, a PE equipment room (room 6), and a building used by the county to provide physical therapy services (room 33). Additional portable classrooms were constructed in 1994, 1997, and 1998. Our playground and field areas are spacious and are continually monitored by staff and administration for student safety.

The district takes concerted efforts to ensure that all schools are clean, safe, and functional. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. All bathrooms, classrooms, and office are cleaned daily. Students are encouraged to help keep the campus clean by recycling and picking up after themselves. A work order process called School Dude is used to ensure efficient service and that emergency repairs are given the highest priority. The Maintenance, Operations, and Transportation Department works daily with the custodial staff to develop cleaning schedules to ensure clean safe schools.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Princeton Street School encourages parents to be actively involved in their child's education because they are a pertinent piece of their child's learning. Parents and family members are invited to attend and participate in the School Site Council (SSC) and/or English Learner Advisory Committee (ELAC). These two venues are the primary means for disseminating information to parents. The following guidelines will be used to increase parent involvement:

- A meeting will be held monthly with the SSC and a minimum of four ELAC meetings will be held throughout the academic year. Parents will be informed and participate with the Title 1 expenditures. The budget will be an agenda item at all meetings. The meetings will be held at a time that is conducive to maximize parental involvement.
- At all SSC and ELAC meetings, parents will be given the opportunity to make suggestions and share concerns regarding all school programs. Any concerns brought to the attention of the site administrator(s) will be addressed promptly and in compliance with the Uniform Complaint Procedure. As a result of distance learning due to the Covid-19 pandemic, all parent meetings will be held virtually.
- Through the SSC and ELAC meetings, parents will have the opportunity to provide input in the development of the Single School Plan and the School Parent Involvement Policy as well. The meetings are open to all parents and community members.
- Copies of the annual School Accountability Report Cards (SARC) will be made available to parents promptly after its publication.
- The school website (www.duesd.org/princeton) provides parents and families access to the following information; SSC, ELAC, SARC, the Safety Plan, and support materials.
- In March, 2020, our school was closed due to the Covid 19 pandemic, which called for limiting and restructuring parent involvement activities. SBAC and LCAP assessments were suspended, leaving our school without

2021-22 Opportunities for Parental Involvement

assessment data for the 2019-2020 school year, however, teachers are currently conducting parent conferences virtually.

- All teachers utilize the school planners daily as a means of regular communication with families, however, due to distance learning and the covid-19 pandemic, parent communication has been done via Class Dojo, Google Classroom, email, mail, and virtual meetings.
- Parent newsletters, school website, school facebook page, and the school digital marquee located at the front of the school site are updated regularly as a means of disseminating information to parents and families.
- At the beginning of the year, orientation and parent conferences, a description and explanation of the curriculum, forms of assessment, and expected student proficiency levels will be provided to the parents. Due to distance learning, conferences are conducted virtually and by phone.
- Continued emphasis will be placed on increasing accessibility to parents of English Learners and students with disabilities.
- Parents of students at risk in academics, behavior, or attendance will be invited to participate in Student Assistance Team meetings (SAT) where support and intervention strategies will be provided. These meeting are currently being held virtually, and by phone due to distance learning as a result of the covid 19 pandemic.
- Automated voicemail, email, and an “open door policy” provide parents an opportunity to provide feedback and suggestions regarding school activities and events. Currently, our entire office staff is linked to the school phone number to allow parents better access to our school.
- Special events which encourage parent involvement will be held on a regular basis virtually and drive through ceremonies throughout the year. Such events include: Royal Knight Assemblies, Back to School Night, Open House, and Parent Ed,

Parents are reminded through our school web page, Blackboard Connect, Facebook and through parent parent newsletters. For more information about parent involvement activities please contact:

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.11	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Princeton Street School Safety plan is reviewed and updated yearly. For the 2019-2020 school year, the safety plan was reviewed on July 25, 2019. The 2020-2021 Safety Plan will be updated January 2021. Among many other components and information, our safety plan includes information on topics such as the School Climate Assessment, Crisis Response team plans, school safety laws, information on our Multi-Tiered Systems of Supports Team (MTSS), fire drills and emergency protocols and behavior expectations to maintain a safe and orderly environment. Princeton Street School's safety plan includes goals for improving the overall safety and well-being of our students. Our first goal is to provide a safe, orderly, secure campus that is conducive to learning. In addition, we will provide an environment where students, staff, parents and the community feel a sense of self, school and community pride. Other goals are to improve overall attendance rates, developing an academic program with high expectations, and creating an atmosphere where each individual will be treated with dignity and respect, and their ethnic, cultural and religious backgrounds will be appreciated. Furthermore, our goals include complying with school safety laws, following a uniformed district discipline policy and working collaboratively with parents, pupils, teachers, administrators, counselors, and community agencies, including law enforcement.

Princeton Street School implementation plan consists of having monthly fire, evacuation and reverse evacuation drills, a Crisis Response Team who has reviewed their duties and are prepared, and a staff who is observant during non-instructional times throughout the day. In addition, we have an MTSS team whose goals include improving the character of students, teaching behavior expectations and improving the overall school climate. We do this by having behavior expectation assemblies, anti-bullying assemblies and implementing the Character Counts program. Princeton Street School recognizes behavior in a positive way and reteaches behavior expectations as needed. We have incentives in place for attendance which include end of the year field trips, trimester awards and incentives. Our grade level teachers meet on a weekly basis to plan curriculum and lesson plans, and teachers participate in professional development throughout the academic year. Also, our school participates in the district/community safety committee, where we participate and develop plans to ensure a safe and orderly environment. Princeton Street School is committed to reaching our goals and improving the overall safety for our students. To meet these goals, there is a lot of action that needs to take place, and the school safety plan is essential in helping us reach our goals.

2020-21 Types of Services Funded

Princeton Street School identifies and addresses the individual needs of each student by providing additional services to support individual success. Princeton Street Elementary School is assigned a school psychologist, nurse, and a speech services program to provide intervention for students with special needs who are assigned to the least restrictive environment. Additionally, Gifted and Talented Education (GATE) students are assessed and identified as "GATE". These students participate in after school programs, the GATE festival, and other activities throughout the year. A site resource teacher at Princeton Street School closely monitors the needs of our English Learners and provides information on their language status to our instructional staff. Our instructional staff also provides integrated language instruction to our English Language Learners in all content areas as well as designated English Language instruction during a 45 minute language block. The Migrant Program identifies migrant and immigrant students to ensure interventions and services are implemented. The program also provides support services to meet the unique educational, social, and health needs of the migrant student. These students may participate in an after school Migrant Extended Day program two days a week. The migrant program also provides free books to our migrant students through the RIF program. Our after school ASES program, entitled P.O.W.E.R, offers enrichment, intervention, recreation and P.E. daily to about 97 students total in grades 2nd through 5th grades.

Funding from Title I provides language development interventions for all students in grade K-5 and other funding is utilized to provide after-school interventions or tutorials for students not achieving at grade level. The Student Assistance Team (SAT) provides additional support when a student is achieving below grade level. We are also provided a resource teachers that provides language assessment services as well as support for our English Learners.

Professional Development

For the 2021-2022 school, the Delano Union School District has provided substantial professional development opportunities for all staff. Due to distance learning, we were put into a position find ways to virtually deliver instruction and were therefore provided training on Google Classroom, Zoom, and ScreenCastify. We discovered that these learning platforms allowed us opportunities to provide customized learning opportunities for our students which carried over into in-person instruction. We have also received professional development on Thinking Maps, Language Arts, Math, Social Studies and Science as well as other learning and data platforms including ESGI, IXL, STAR Reading, STAR Math, MyMath, and Benchmark Universe. We are also provided training on acquiring student performance data from these platforms to help better target student needs and guide instruction. We have also provided regular STPT opportunities for our staff using student data to help guide our planning. As a result of distance learning due to the Covid-19 pandemic, our district knew that our students and staff may be in need of regular Social & Emotional Learning (SEL) and support, and has provided teacher training for this via experts in the field and through our 2nd Step program for our students as well as staff training on self-care.

This table displays the number of school days dedicated to staff development and continuous improvement.

Delano Union Elementary School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
