Dear Princeton Students and Parents,

I am excited to welcome you all to the 2021-2022 school year here at Princeton Street Elementary School. We are always grateful for the opportunity to continue to serve our students and wonderful school community by providing exceptional learning experiences for our students and working closely with parents. The last school year presented all of us with many challenges, and I am grateful for the efforts put forth by our staff, students, and parents. With the reopening this school year, our focus will be on the safety and well-being of our staff and students while providing high quality instruction. More than ever, we will all need to work together, and be flexible, to help ensure a safe and successful learning experience for our students.

We are all excited for the upcoming school year, and look forward to a year of memorable experiences. Please make sure to follow us on Facebook and keep an eye out for upcoming events!
