Dear Parents,

We have four open positions for our School Site Council. This is a two-year term. Those not elected as members will become alternates. The School Site Council plans and guides our School-Based Coordinated Programs. The SSC also has the responsibility of approving the School Site Plan, the Safety Plan, the School Budget, etc. An equivalent number of teachers (including the principal and one other staff member) will also be a part of this council.

Meetings are typically held about six times a year. The La Viña staff encourages your support and participation. We need the committed help of our parents. Attendance at these meetings is critical to the functioning of the council. If you would like to be a part of this important group, please check the appropriate item below.

Please return this note back to school no later than Thursday of this week (Aug. 22, 2019). Ballots will be sent home with students the following week. Please call 721-3601 if you have any questions.

Sincerely,

Jennifer Townson, Principal
