2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Pioneer is Delano Union School District's K-8 school. Pioneer School was established in July 2013. Our school is unique in that it is the only K-8 in the District. Pioneer School is located on the west side of Delano and adjacent to it is Robert F. Kennedy High School, Bakersfield College extension campus, and across the street are residential dwellings. Being a model for a 21st century school for learning, the mission of Pioneer School is to provide and expose our students to the best in technology, pedagogy and instruction. Much pride and high expectations are set forth for the school. Our culture is one of a professional learning community where rigor, high expectations, and success is not just for our Trailblazers, but for the Pioneer staff as well. The staff is proactive and determined to provide the best education they can for our students. We serve 998 students with 58 of dedicated teachers who follow the motto "Blazing the Trail to Success While Keeping an Eye on The Goal!" Pioneer employs one school principal, one assistant principal, an academic counselor, a site resource teacher, a school psychologist, a social worker, a campus supervisor, a shared school resource officer, and other staff are here to serve with pride and commitment. Pioneer has over one hundred employees.

We support and validate all our students. We have mild to moderate and a moderate to serve classes on campus, band, AVID, GATE, Migrant, Robotics, and a new STEM Elective Course to validate and support learning for students. We also have an after-school program "POWER" and POWER Plus where students have wonderful opportunities for extended learning.

We do all we can to create an environment of positive character as we follow the Pioneer Way. We correct behavior in a positive manner. We know that building positive relationships with students on campus is a key to support which in turn will help them succeed in school. Pioneer School although relatively new, has a seasoned and highly qualified staff that is committed and as a team will do what it takes to create a learning environment where students not only feel safe and secure, but want to learn.

Mission:

Our school community will cultivate an environment of learning by closing the achievement gap, preparing students for a successful future and promoting character building skills.

Vision:

As lifelong learners, Trailblazers have the civic responsibility to apply the skills of critical thinking, communication, collaboration and creativity. Our students will be college and career ready.

2023-24 School Description and Mission Statement

GOALS

1. Target academic proficiency, promote character, and build good healthy choices and physical fitness.
2. A variety of learning opportunities will promote high expectations and focus on student achievement.
3. Students will attend school, arrive on time, and be ready to learn.
4. Board of Trustees, administrators, staff, students, parents, and the community will work together as a professional learning community to promote student success.
5. Students will learn every day.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Pioneer School was built in 2013. The first academic year for Pioneer was 2013-2014. We are in the third year of operation. The Pioneer School Community takes great pride in the beauty and design of the campus. The school has 90% of classrooms being utilized by students. The campus also has a multi-purpose facility/cafeteria, a library/resource building, and an administration building. The District takes great efforts to ensure that all schools are clean, safe, and functional. All restrooms, classrooms, and offices are cleaned daily. Students are expected to help keep the campus clean by following the Pioneer Way: Be Safe, Be Responsible, and Be Respectful. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	22	28	23	30	33	35

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

We desire and encourage the input and involvement of our parents/guardians. Teachers contact our parents regularly and our open-door policy allows for our parents to feel at ease to come in and voice their questions, concerns and idea. Monthly calendars and our teleparent (electronic phone system) are means we communicate but the best way we interact is that all administration are outside in the mornings as well as afterschool. Back to School, Title 1 parent meetings; kinder Orientation and parent conferences, and lunch with your child events are other ways we communicate with parents here at Pioneer. Parents are encouraged to volunteer as we have volunteers assisting us on campus. We also give parents an opportunity to join our School-Site Council, ELAC and DELAC committees. We have planned more formal parent education events and other events/programs to get parents involved. We have a school compact where parents commit to supporting their child as well as the school every year. We also have formal meetings for children that need more support in the form of SATs (Student Assistance Team), IEP's, 504 and other meetings to better communicate to parents what is going on and developing a plan for students to have success. If you want to inquire more about how you can assist your school as a parent feel free to call the school principal, Anna Singh at (661) 474 – 4911, 1001 Hiatt Avenue, Delano, CA 93215.

2023-24 School Safety Plan

The School Safety Plan was reviewed with staff and School Site Council in February 2024.

The school safety plan's major components are the crisis response plan, safety plan and safety procedures. The plan entails what to do in a disaster but the procedures to initiate in an event to account for students, first-aid locations, maps, turn-off valve(s) procedures, evacuation plans, student release, communication and safety procedures that are practiced throughout the year. A safety week is conducted where all drills are practiced by all classrooms and given feedback as to how they did in the first month of school. Our School resource officer is prevalent and visible on campus. Specific checklists, procedures and contacts are expected in the event of a crisis and monitored. We believe safety first as a school site and take our safety procedures as a priority.
