Hello B.O.B. Coordinators!

We are excited for the 2024-2025 Battle of the Books school year held at **The California Living Museum Zoo (CALM)**. Yes, we have a **NEW LOCATION!** Please help us abide by their rules regarding trash and avoiding disturbing the animals. The more books a student reads, the more fun they will have at the final B.O.B. competition. The benefits of reading practice over a variety of genres can only enhance a student's learning.

Please verify that students have qualified by completing the minimum number of titles before they are permitted to attend the final B.O.B. competition.

Third Grade must complete 12/14 titles from

4th-6th Grade must complete 20/28 titles

Junior High must complete 20/28 titles

The method by which you verify that students have met the requirement is at your discretion. However, this year, we are requesting formal confirmation that students have met this requirement. It is essential to ensure fairness, as teams may be disadvantaged if all members have not completed the required reading. Be sure your students are reading from [America's Battle of the Books](#). Thank you for respecting the integrity of the B.O.B. program. If you need to purchase B.O.B. books, Russo's has them available www.russosbooks.com.
